PROFESSIONAL SUMMARY

Software Engineer with 5+ years of experience building cross-platform mobile apps and scalable web solutions for international clients. Proficient across the full stack — React Native, Flutter, Next.js, TypeScript, and RESTful APIs — with a strong focus on clean architecture and on-time delivery. Experienced in Agile/Scrum environments, leading teams from requirements to production.

CORE COMPETENCIES

Mobile Development React Native • Flutter • Dart Android • iOS • Cross-Platform	Web & Backend Next.js • React • TypeScript Node.js • REST APIs • Firebase	Tools & Practices Git • Jira • Figma • Firebase Agile/Scrum • CI/CD • UAT
Hardware & IoT ESP32 • Arduino • IoT Integration	Workflow & Automation n8n • Workflow Automation	Leadership Stakeholder Management Cross-Functional Teams • Roadmapping

PROFESSIONAL EXPERIENCE

Productbox — Peshawar, Pakistan

Oct 2025 – Present

Software Engineer

- Build and maintain cross-platform mobile applications using React Native, delivering smooth, performant user experiences on both iOS and Android.
- Develop and integrate backend services and RESTful APIs, ensuring reliable data flow between mobile/web clients and server-side systems.
- Collaborate with product managers and designers in an Agile/Scrum environment to translate requirements into well-architected, production-ready features.
- Participate in code reviews and enforce best practices around clean code, scalability, and maintainability across the full stack.
- Contribute to sprint planning, backlog refinement, and technical estimation, helping the team ship high-quality releases on schedule.

Suhail Smart Solutions — Dubai, UAE (Remote)

Jul 2022 – Jun 2025

Software Engineer

- Engineered and maintained cross-platform mobile applications using React Native and Flutter, achieving significant performance gains and improved user retention.
- Architected and scaled web applications with Next.js and TypeScript, applying clean code principles to support long-term maintainability and rapid feature delivery.
- Designed and implemented hardware-software integrations using ESP32 and Arduino microcontrollers, bridging physical devices with digital interfaces.
- Collaborated in Agile/Scrum ceremonies, translating business requirements into production-ready, well-tested code across every sprint.
- Optimized CI/CD deployment pipelines for mobile (iOS & Android) and web platforms, reducing release cycles and maintaining consistent app performance.

Sybrid Pvt Ltd — Peshawar, Pakistan

Jun 2019 – Feb 2020

Android Developer

- Developed and maintained Android applications using Java/Kotlin, ensuring seamless functionality and high performance across a diverse range of devices.

- Integrated RESTful APIs into mobile applications, enhancing data-driven features and overall user experience.
- Diagnosed and resolved critical bugs through systematic troubleshooting, improving application stability and reducing crash rates.
- Collaborated with UI/UX designers and QA teams to deliver responsive, user-friendly interfaces that met client specifications.
- Implemented new client-requested features on schedule, expanding application functionality and contributing to on-time delivery.

Smart-Tech — Peshawar, Pakistan

Jul 2019 – Dec 2020

Android Developer Intern

- Consolidated three separate applications into a single unified platform with Role-Based Access Control (RBAC) for a school management system, reducing maintenance overhead.
- Integrated cloud-based APIs to centralize data management, improving data reliability and system scalability.
- Adhered to coding best practices and conducted code reviews to optimize readability and long-term maintainability of the codebase.
- Delivered end-user training sessions and performed both virtual and on-site testing to ensure software quality prior to deployment.

EDUCATION

Master of Science in Computer Science

Oct 2025 – Present

Institute of Management Sciences (IM|Sciences), Peshawar

Bachelor of Science in Computer Science

Oct 2015 – Dec 2019

Institute of Management Sciences (IM|Sciences), Peshawar
